

2026 R.E.A.C.H. Camp Guide

Online Registration for ORCSD Morning R.E.A.C.H. & DPR Afternoon R.E.A.C.H. Camps & Friday Field Trips at:

durhamrec.recdesk.com

R.E.A.C.H. Weekly Registration Quick Info

Registration opens at 7am on February 18th to April 17th, 2026, or until full

Monday-Thursday at Oyster River Middle School:

-Morning ORCSD R.E.A.C.H. Camp: 8:30-11:30am, \$130/Child

-Afternoon DPR R.E.A.C.H. Camp 12:00-5:00pm, \$145/Child

-A supervised lunch (11:30-12:00) is offered for campers attending R.E.A.C.H. Camps

****Full day attendance requires registration in **BOTH** morning ORCSD camp & DPR afternoon camp each week. ****

Friday Field Trips- 8:30am-4:30pm \$80/child. Max: 22 campers. Drop off/Pick up at ORMS.

**Registration based
on entering grade
for Fall 2026**

R.E.A.C.H. Camp Refund Policy

-Camp registrations cancelled between **2/18-4/30** will receive 100% refund or 100% credit on Recdesk account.

-Camp registrations cancelled between **5/1-5/31** will receive 50% refund or a 50% credit on Recdesk account.

-Camp registrations cancelled between **6/1-8/21 with 2-week notice** receive 50% credit only on Recdesk account.

-Camp registrations cancelled between **6/1-8/21 without a 2-week notice will NOT** be given a refund or credit.

Camp Confirmations

After successfully registering for a camp through RecDesk you will receive an email confirmation. Please double check your registration confirmation to ensure you have registered your child in the correct camp.

Additional detailed camp information from instructors & DPR will be sent out closer to the start of camp.

Camp Title	Description
STEMBots Summer Expedition <i>Grades: 1st to 2nd</i> <i>Grades: 3rd to 4th</i>	Campers will explore a variety of robots that may include LEGO Spike, LEGO WeDo, Ozobot, & Dash through hands-on activities. Each day, students will take on new challenges that build problem-solving, teamwork, & creativity. They'll learn how different robots work, how to code them, & how to use engineering thinking to complete missions. Designed to be fun, engaging, and accessible for all learners, whether they are brand-new to robotics or already enthusiastic builders.
Barbie Architects <i>Grades: 1st to 4th</i>	Use your creativity to design a Barbie dream room with furniture, accessories, clothing, & more. We'll be using new & recycled materials. Try making mini pieces of art for the walls or picking a theme for your room. Put up wallpaper, install rugs, or even create a custom window view to make your design truly special! Don't forget to bring a Barbie or two.
Disney Magic <i>Grades: 1st to 4th</i>	A magical Disney-themed week full of arts & craft projects, games, music, dancing, & fun surprises along the way! Campers will get to decorate their own mouse ear headband, participate in Disney-style pin trading, & spend the week with their favorite Disney characters. Each day will be filled with creativity, imagination, & plenty of Disney magic.
Enchanted Village Fairy Houses <i>Grades: 1st to 4th</i>	Our enchanted village is a magical place where imagination leads the way and tiny wonders come to life. This camp is filled with laughter, creativity, and a little sprinkle of fairy dust. Campers will gather natural treasures--acorns, pinecones, smooth stones, bark, leaves, and petals--to design cozy homes for fairies and forest friends. As children work, they will talk about the fairies who might move in, flower fairies, moon fairies, and shy woodland sprites. This camp is all about creativity, teamwork, and gentle exploration. By the end of the week, campers will leave proud, inspired, and certain that fairies will visit their tiny homes.
Explosions & Adventures Science <i>Grades: 1st to 4th</i>	This hands-on science camp brings learning to life with fun, age-appropriate experiments every day! Campers will take part in demonstrations, design their own experiments, and explore science both inside the lab and outdoors. Just bring your curiosity—and be ready to get a little messy!

Go Fly a Kite <i>Grades: 1st to 4th</i>	This indoor/outdoor camp invites campers to design and build their own custom kite with colorful tails and streamers. Campers will work together to fly their kites, enjoy active outdoor play, and participate in fun games and group activities.
Indoor Games & Activities <i>Grades: 1st to 4th</i>	Enjoy various games and activities such as Chess/Checkers, Backgammon, Chinese checkers, Othello, Chutes and Ladders, Scrabble, Uno, Sorry, and Yahtzee. Additionally, there will be sticker art, canvas painting and other craft activities making this camp fun & exciting for all ages with lots of choices. The "FAVORITE" Prize Box will be available for winners & all participants.
Magic Photo Cubes <i>Grades: 1st to 4th</i>	Create a fun and personalized photo puzzle! Campers can design their own colorful puzzle cubes by using their favorite pictures brought from home, or use photos that will be available at camp. Pick from a variety of images featuring nature, encouraging messages, and graphics. Each time you fold the cube a new surprise picture pops up making it a delightful and interactive activity!
Slime-tastic Sensory Camp <i>Grades: 1st to 4th</i>	Welcome to Slime-tastic Sensory Camp- the ultimate destination for slime lovers and creative explorers! Here, campers will dive into the colorful, stretchy world of slime, experimenting with different textures, and colors to create their own signature concoctions. Each day is filled with hands-on activities designed to engage all the senses and spark creativity. It's the perfect place for kids to get messy & discover the magic of sensory fun!
Sweet Creations <i>Grades: 1st to 4th</i>	Sweet Creations Camp is a fun, hands-on camp where creativity takes the lead — no ovens required! Campers will make delicious no-bake desserts, learn decorating and frosting techniques, design their own custom chef apron, and take part in exciting fun challenges like decorating competitions and mystery dessert creations. Perfect for kids who love sweets, crafts, and creativity!
The Art Explosion <i>Grades: 1st to 4th</i>	Campers will dive into a world of creativity as they paint, build, and design using a variety of art styles and materials. During the week, you'll paint with bright colors, make cool sculptures, and try lots of fun art projects using different materials. Every day is a new art adventure where there are no wrong answers—just imagination and creativity. You'll go home with amazing artwork you made all by yourself!
Turnip the Speed Camp <i>Grades: 1st to 4th</i>	Campers use real fruits & vegetables to design and build their own one-of-a-kind cars. From carrots & cucumbers to potatoes and apples, campers experiment with shapes, wheels, axles, & balance to turn fresh produce into fast (and funny) racers. Campers plan their designs, build & test their cars, and make improvements. The week wraps up with a big race event where everyone cheers, celebrates their designs, & enjoys some friendly competition.
Beads, Bracelets & Summer Vibes <i>Grades: 1st to 4th</i>	Campers will design and create their own unique bracelets using beads, charms, string, and more. Each day is packed with hands-on crafting, new techniques to learn, and plenty of time to express personal style. Along the way, campers will build confidence, make new friends, and leave with a collection of bracelets they'll be proud to wear and share. Perfect for creative kids who love art, friendship, and a little sparkle—this camp is all about making memories, one bracelet at a time!
Clay Creations <i>Grades: 1st to 4th</i>	Unleash your creativity, where imagination meets craftsmanship! Whether you're a beginner or a seasoned artist, this hands-on experience will guide you through vibrant colors, intricate designs, & exciting techniques to create your own polymer clay masterpieces. From charming figurines to stunning jewelry, you'll leave with unique, one-of-a-kind creations & skills to keep crafting long after camp ends. Join for a fun-filled adventure of self-expression, creativity, and polymer clay!
Outdoor Fun <i>Grades: 1st to 4th</i>	Get ready for some fun in the sun! We will be playing a variety of creative and unique games that focus on teamwork and sportsmanship. This camp is geared toward those who enjoy being active, trying new things, engaging in cooperative play, and just enjoy being outside. Sneakers, a snack, sunscreen, and a water bottle are highly encouraged.

Elementary Field Hockey Skills & Drills <i>Grades: 1st to 4th</i>	Field hockey is FUN!! This camp will provide age - appropriate field hockey skills and drills for beginning and experienced players. The last hour of camp each day will be team-building activities and field hockey teamed crafts.
Chess 101 <i>Grades: 1st to 4th</i>	Experience an introduction to the fundamentals of chess while building critical thinking, patience, and problem-solving skills. Campers will learn the rules, piece movement, and beginner strategies through guided play and interactive challenges. Perfect for beginners or anyone looking to sharpen their thinking skills.
Lego Spike Robotics <i>Grades: 1st to 4th</i>	Campers who love LEGO® and technology will enjoy building creative designs and using iPads to code them to move, light up, and make sounds. This camp encourages creativity, collaboration, and problem-solving through hands-on play.
Wilderness Camp <i>Grades: 1st to 4th</i>	Explore the forest for a week through immersive adventures and games. We will learn about wild plants and how to safely explore the woods. The forest allows for so many learning opportunities which engages every child. The experiences each child has is unique to their interests and enthusiasm level! Get ready to be in the forest every day, rain or shine!
Garden Design <i>Grades: 2nd to 4th</i>	Young artists & nature lovers will explore the outdoors through hands-on projects & imagination. Campers will design and create beautiful sea glass art, assemble nature mobiles using found materials, and make colorful garden art pieces to brighten any outdoor space. They'll also build and decorate birdhouses, keep their own nature journals for sketching and observations, and learn to see gardens as places full of art, wildlife, and inspiration. Through guided activities and plenty of creative freedom, students will connect with nature while building confidence, creativity, and a love for the outdoors.
Sweet Tooth <i>Grades: 1st to 4th</i> <i>Grades: 5th to 8th</i>	Let's get creative in the kitchen! Join us for decorating sweet treats like sugar cookies, cupcakes, cake pops and more. We will learn the basics of decorating, practicing different icing techniques, and chocolate dipping, to create our own delicious masterpieces to taste and take home. **Recipes contain gluten, please let me know of any other food allergies**
Fiber Art <i>Grades: 1st to 4th</i> <i>Grades: 5th to 8th</i>	Get ready to cut, stitch, glue, weave, and create! We will craft and explore yarn, felt, fabric, and string while making fun projects like small stuffies and colorful decorations to take home. This beginner friendly camp is all about creativity, imagination, and hands on fun (with plenty of guidance and room to make each project your own). Come ready to design and experiment and leave with crafts you'll be proud to show off.
Feathered Friends <i>Grades: 3rd to 8th</i>	Discover some of New Hampshire's common, native bird species. We will learn to identify different species through sight and sound. We will have daily birdwatching excursions throughout the school grounds to put our knowledge into practice. We will also be making crafts, such as different kinds of feeders to attract birds to your own yards.
Exploring the World of Color <i>Grades: 5th to 8th</i>	Come join us for a hands-on STEM experience where we will investigate how light, pigments, and materials interact to create the colors we see. Through experiments and creative projects we will discover the science behind color and its role in our everyday life.
Discover Cricket: The World's #2 Sport <i>Grades: 5th to 8th</i>	Learn the basics of batting, bowling, and fielding through fun games, drills, and activities. The wide cricket bat makes hitting easy, so you'll be scoring runs in no time! Led by a British coach with a love for the game, this camp will have you hooked on cricket from the first swing. Join us and find out why this sport is loved by billions around the world.
Cardboard Crafts <i>Grades: 5th to 8th</i>	Can you build a chair out of cardboard that you can actually sit on? Campers will learn how to design, plan, and build a sturdy cardboard chair. The week begins with hands-on design and problem-solving, followed by planning, building, testing, and improving their creations.
Culinary Camp <i>Grades: 5th to 8th</i>	Kids will learn skills of reading & following a recipe, writing their own recipe, measuring, mixing, & making no-bake culinary creations! A camp where kids can be creative and try new things. You might even get to try the yummy creations of other campers! The goal would be to collect a handful of new recipes to take home with you once camp is finished.

Learning the Art of String <i>Grades: 5th to 8th</i>	Get ready to create with string! Campers will learn the basics of crochet, design colorful friendship bracelets by following patterns, and explore embroidery using simple stitches that come together to make unique designs.
Low-Key Tekky <i>Grades: 5th to 8th</i>	Come one...come all! We're lacing up our boots to play the world's game, and you're invited! Join Oyster River High School soccer coach Jake Bayer out on the pitch for skill-building games that emphasize fun, with a side of tekky.
Melody Makers <i>Grades: 5th to 8th</i>	Do you love to sing? Then come master some melodies with us! In this camp we will work on vocal solos as well as ensemble pieces of your choosing. We will end with a performance for our families and friends!
Middle School Band <i>Grades: 5th to 8th</i>	Have fun learning new skills on your band instrument and putting together a concert to present on the last day of camp!
Shrek Kids Musical Production <i>Grades: 5th to 8th</i>	Come be part of a 30-minute musical production! This two-week camp you will put together the acting, dance, & music to perform an abridged version of the Broadway musical Shrek. All campers will receive a script & be casted to perform in the production. Specific roles will be based off an audition done at the beginning of camp. (2 Week camp)
Whiffleball Showdown <i>Grades: 5th to 8th</i>	There's nothing like a good ol' fashioned backyard Whiffleball game. At Whiffleball Showdown, you can count on epic catches and towering dingers. We'll keep our eye on the ball...elbow up and all that good stuff. The Home Run Derby is a real fan favorite--can you hit the ball over the Rusty Rail?
Table Game Techniques <i>Grades: 5th to 8th</i>	At Table Game Techniques, we will play a bunch of table games—cards, chess, and board games too! This camp is for anyone interested in having fun without needing a screen to tap on. Whether you know a lot of table games by heart, or know nothing at all, if you are looking for a relaxed environment to make friends around the table, THIS IS YOUR SPOT. If any campers have a favorite table game that they'd like to bring in to play, feel free!
VEX IQ Beginner Robotics Camp <i>Grades: 5th to 8th</i>	This camp is perfect for students who are new to robotics or those who are looking to learn the fundamentals. In this beginner-friendly camp, students will explore the brand-new VEX IQ Challenge while learning the basics of building, mechanical advantage, and coding, including the use of sensors. Campers will work together to brainstorm ideas, design simple robots, and test their creations in a supportive, low-pressure environment. This camp is a great way to build confidence, develop problem-solving skills, and develop robotics skills.
Stop Motion Animation <i>Grades: 5th to 8th</i>	Let's work together to bring your stories to life! Everyone is welcome, from beginners to more advanced creators. We will explore the basics of stop motion animation, including storytelling, character movement, camera setup, lighting, & timing. We will work hands-on with animation tools & materials, learning how to plan, film, & edit short stop motion films. More experienced creators will have opportunities to refine their skills, experiment with various techniques, and take creative risks. Cameras and laptops will be provided for use in school. The camp emphasizes creativity, collaboration, and problem-solving in a supportive environment. Campers will create and share their projects with their fellow filmmakers.
The Science of Season <i>Grades: 5th to 8th</i>	We invite you to come and explore the wonders happening right outside our doors. This engaging STEM program blends hands-on experiments, real-world observations, and creative problem-solving to uncover how weather, climate, plants, and animals respond to seasonal change. We will connect scientific concepts to our everyday environment, building curiosity, confidence, and a deeper appreciation for the natural world.
Watercolor Explores <i>Grades: 5th to 8th</i>	In this fun and creative class, students will discover the magic of watercolor painting! Students will learn basic watercolor techniques such as color mixing, brush control, wet-on-wet painting, and creating textures. Through guided projects and open-ended exploration, young artists will paint landscapes, animals, and imaginative scenes while building confidence in their artistic choices. The class encourages creativity, self-expression!

Art Around the World <i>Grades: 5th to 8th</i>	Travel around the world and experience different art forms in other countries. Learn about different cultures and pick a country that you are interested in. Step outside the box, there is more to explore in our world!
Fantasy & Imagination <i>Grades: 5th to 8th</i>	Expanding our minds & creativity by developing different creatures & worlds. From creating our own dragons to building fairy houses, we offer the opportunity to step into an extraordinary realm. Involves elements of magic, mythical creatures, & imaginary worlds!
Middle School Field Hockey Skills & Scrimmage <i>Grades: 5th to 8th</i>	Grab your friends, grab your sticks, and join the fun. This camp will provide experienced field hockey players the opportunity to fine to their skills, learn some new ones, and get ready for the middle school field hockey season. Players with at least one session of field hockey experience are encouraged to participate! The last hour of camp each day will be team building activities, and sports themed games and activities.
VEX IQ Robotics Camp <i>Grades: 6th to 8th</i>	Designed for students with some robotics experience who are ready to dive deeper into the VEX IQ Challenge. Campers will be introduced to the brand-new VEX IQ Challenge & learn about this year's game, rules, & goals. students will analyze this year's game, explore rules and scoring strategies, & collaborate to design & build robots. Working together, they'll brainstorm ideas, design, & begin building robots to take on the challenge. Along the way, campers will strengthen problem-solving skills, practice collaboration, & discover how fun & engaging STEM learning can be. *IMPORTANT –6th – 8th graders only.

Week 1: June 29th -July 2nd

Morning Camp Options Mon-Thurs: 8:30am-11:30pm

Camp Title	Grades	Instructor	Camper #'s
STEMbots Summer Expedition	Entering 1 st -2 nd	Susan Leifer sleifer@orcsd.org	Min 8- Max 15
Clay Creations	Entering 1 st -4 th	Emily Brisson ebrisson@orcsd.org	Min 8- Max 14
Elementary Field Hockey Skills & Drills	Entering 1 st -4 th	Kelly Lacoste klacoste@orcsd.org	Min 8- Max 10
Enchanted Village Fairy Houses	Entering 1 st -4 th	Debbie Perlowski dperlowski@yahoo.com	Min 8- Max 14
Indoor Games & Activities	Entering 1 st -4 th	Kathy McGowen kmcgowen@orcsk.org	Min 8- Max 14
Lego Spike Robotics	Entering 1 st -4 th	Tyler Patria tylerpatria@yahoo.com	Min 8- Max 10
Outdoor Fun	Entering 1 st -4 th	Jeff Corson jcorson@orcsd.org	Min 8- Max 14
Turnip the Speed Camp	Entering 1 st -4 th	Bethany Twitchell btwitchell@orcsd.org	Min 8- Max 12
Chess 101	Entering 1 st -4 th	Keith Lewis klewis@orcsd.org	Min 8- Max 12
Feathered Friends	Entering 3 rd -8 th	Christine Greene scoutie603@gmail.com	Min 8- Max 12
Cardboard Crafts	Entering 5 th -8 th	Andre Fortin & Josiah Hagen fortin.andre17@gmail.com	Min 16- Max 18
Culinary Camp	Entering 5 th -8 th	Lindsey Herzig & Kate Spear lherzig@orcsd.org	Min 16- Max 18
Exploring the World of Color	Entering 5 th -8 th	Nikole St. Laurent & Jodi McCallion nst.laurent@orcdsd.org	Min 16- Max 18
Fiber Art	Entering 5 th -8 th	Jessica Ekanem jekanem@orcsd.org	Min 8- Max 14

Learning the Art of String	Entering 5th-8th	Melena Kopf mkopf@orcsd.org	Min 8- Max 14
Table Game Techniques	Entering 5th-8th	Jake Bayer jbayer@orcsd.org	Min 8- Max 12
VEX IQ Beginner Robotics	Entering 5th-8th	Jason Duff jduff@orcsd.org	Min 8- Max 14
Watercolor Explorers	Entering 5th-8th	Trista Fitch tfitch@orcsd.org	Min 8- Max 14
VEX IQ Robotics	Entering 6th-8th	Jade Terrill & John Silverio jterill@orcsd.org	Min 16- Max 20

Afternoon Camp with Durham Parks & Recreation 12:00-5:00pm

Weekly Theme Launch into Summer	ENTERING Grades 1 st -4 th & 5 th -8 th	DPR Rec Squad	Spend the afternoon outside playing games, creating crafts, enjoying water activities, swimming and much more! Each day of camp we will focus on welcoming campers to camp and launch into summer!
---	---	--------------------------------	--

Optional Friday Field Trip- Friday July 3rd 8:30am-4:30pm

Putt, Race, Chase	ENTERING Grades 1st- 8th	DPR Rec Squad	We will spend the day puttin' around mini golf, go-karting, and more fun in sun.
--------------------------	---	--------------------------------	--

Week 2: July 6th-July 9th

Morning Camp Options Mon-Thurs 8:30am-11:30pm

Camp Title	Grades	Instructor	Camper #'s
Beads, Bracelets & Summer Vibes	Entering 1st -4th	Emily Brisson ebrisson@orcsd.org	Min 8- Max 14
Sweet Tooth	Entering 1st -4th	Jessica Ekanem jeakanem@orcsd.org	Min 8- Max 14
Outdoor Fun	Entering 1st -4th	Jeff Corson jcorson@orcsd.org	Min 8- Max 14
Enchanted Village Fairy Houses	Entering 1st -4th	Debbie Perlowski dperlowski@yahoo.com	Min 8- Max 14
Lego Spike Robotics	Entering 1st -4th	Tyler Patria tylerpatria@yahoo.com	Min 8- Max 10
Turnip the Speed Camp	Entering 1st -4th	Bethany Twitchell btwitchell@orcsd.org	Min 8- Max 12
Slime-tasti Sensory Camp	Entering 1st -4th	Katelyn Lavallee Kathy McGowen klavallee@orcsd.org	Min 16-Max 24
Chess 101	Entering 1st -4th	Keith Lewis klewis@orcsd.org	Min 8- Max 12
Wilderness Camp	Entering 1st -4th	Allison Plumber allisonplumber97@gmail.com	Min 8- Max 14
STEMbots Summer Expedition	Entering 3rd -4th	Susan Leifer sleifer@orcsd.org	Min 8- Max 25
Feathered Friends	Entering 3rd -8th	Christine Greene scoutie603@gmail.com	Min 8- Max 12
Cardboard Crafts	Entering 5th-8th	Andre Fortin & Josiah Hagen fortin.andre17@gmail.com	Min 16- Max 18
