

Downtown Durham Day Event

Saturday June 4th, 2022

12:30-2:30pm

(rain date: Sunday June 5th 12:30-2:30pm)

Business/Organization/Committee Participation Form

Durham Day has been a longstanding community event, traditionally hosted at Wagon Hill Farm in September. Due to the shoreline restoration project and the pandemic, Durham Day has not been hosted for the past three years. This community event is making a comeback in 2022! We have decided to move the event to Downtown Durham and to host it in early June. We are looking for businesses, organizations, committees, etc. to be part of the event by setting up a table, booth, or activity during the event. This is a great way to connect with the community to promote your business, share information about your organization, or to let people know about the great work and initiatives your committee/commission is working on.
