Business/Organization/Committee Participation Form

Durham Day is an annual community celebration of Durham! We are looking for businesses, organizations, committees, etc. to be part of the event by setting up a table, booth, or activity station during the event. This is a great way to connect with the community, promote your business, share information about your organization, or to let people know about the great work and initiatives your committee/commission is working on.

New this year, we will be adding a Chili Challenge. Please see separate Chili Challenge Form to participate!

Please return this from via email to: recreation.ci.durham.nh.us
