Camp Confirmations

After successfully registering for a camp through RecDesk you will receive an email confirmation. Please double check your registration confirmation to ensure you have registered your child in the correct camp.

Additional detailed camp information from instructors & DPR will be sent out closer to the start of camp.

Camp Title	Description
Camp Quest: Games & Creativity <i>Grades: 1st to 4th</i>	Join Mrs. Whalen for the perfect blend of games & creativity! Activities are weather dependent but will include outdoor games (maybe your favorite PE activity will be included!), indoor board/card games, time in nature, & maybe even a fun craft! Campers have input in the activities.
Outdoor Fun <i>Grades: 1st to 4th</i>	Get ready for some fun in the sun! We will be playing a variety of creative and unique games that focus on teamwork and sportsmanship. This camp is geared toward those who enjoy being active, trying new things, engaging in cooperative play, and just enjoy being outside. Sneakers, a snack, sunscreen, and a water bottle are highly encouraged.
Air Power <i>Grades: 1st to 4th</i>	In camp 'Air Power' you will make toys that move just using air. From boats with wheels, to planes, windsocks, wind chimes and pinwheels, you will see how powerful air can be. Your creativity and imagination will help you to create one-of-a-kind treasures!
Artistic Adventures <i>Grades: 1st to 4th</i>	Get creative and have fun! We will be doing simple and enjoyable projects that will build confidence and positivity. Students will learn arts and crafts skills centered around the beauty of nature and explore many different art mediums. Projects include rock dot-painting, sketching in nature, and working with shells and sea glass. Come Create!
Clay Creations <i>Grades: 1st to 4th</i>	Unleash your creativity, where imagination meets craftsmanship! Whether you're a beginner or a seasoned artist, this hands-on experience will guide you through vibrant colors, intricate designs, & exciting techniques to create your own polymer clay masterpieces. From charming figurines to stunning jewelry, you'll leave with unique, one-of-a-kind creations & skills to keep crafting long after camp ends. Join for a fun-filled adventure of self-expression, creativity, and polymer clay!
Craft Lab Adventures: Slime, Sculpt, & Splash! <i>Grades: 1st to 4th</i>	Kids will dive into a daily world of messy, magical creativity where colorful slime oozes between their fingers, massive bubble wands create shimmering, iridescent spheres that float and dance through the sunny air, and young sculptors use Model Magic to craft whimsical creatures and fantastic landscapes. Outside on the sun-filled playground, campers will transform the blacktop into a vibrant canvas of chalk art, drawing elaborate games, intricate murals, and playful scenes that bring their collective creativity to spectacular life.
Lego Spike <i>Grades: 1st to 4th</i>	Do you love Legos? Do you love robots? Join us in Lego Spike (formally Lego WeDo), as we build all sorts of fun creations using Legos and iPads to turn them into active robots!

Crafty Corner <i>Grades: 1st to 4th</i>	Calling all Crafty Kids! Join us for a week packed with creative hands-on projects perfect for crafters of all levels. We will explore a variety of activities like creating fun paper crafts, making playdough & sidewalk chalk, drawing, rock painting, pipe cleaner crafts, and so much more. Each day is filled with opportunities to learn and make new crafts and create keepsakes to treasure. If you love crafting and creating, this camp is the perfect place to let your imagination soar!
Explore the World of Disney <i>Grades: 1st to 4th</i>	Calling all Mouseketeers! Join us for a magical Disney-themed camp week full of arts and craft projects, games, music, dancing and fun surprises along the way. Get ready to spend the week with your favorite Disney characters filled with creativity, imagination, and Disney magic.
Elite Feet <i>Grades: 1st to 4th</i>	Welcome to Elite Feet! This is my 5 th summer teaching Elite Feet teams! In this camp, we will be learning 1 dance throughout the week and hosting a recital on Thursday to show friends and families what the Elite Feet team has learned! Please bring your water bottles, shoes you can dance in, and a smile. I can't wait to meet you all and dance our way through the summer!
Go Fly a Kite! <i>Grades: 1st to 4th</i>	Ready to fly! This indoor/outdoor camp will have campers designing their own one-of-a-kind kite. These kites have long colorful tails and campers will enjoy running and supporting other campers by soaring them into the sky!
Explosions/Adventures in Science! <i>Grades: 1st to 4th</i>	Bring your enthusiasm for an unforgettable week where curiosity meets excitement! Explore the wonders of chemistry with explosions, and make things go BOOM! Perform fun experiments with food chemistry and collect creatures to look at under the microscope. All activities are fun, age-appropriate, interactive, and engaging. All young scientists welcome!
Indoor Games and Activities <i>Grades: 1st to 4th</i>	Campers will have fun choosing from a large variety of games with options for all ages. There will be lots of classic games like Chess/Checkers, Backgammon, Chinese checkers, Othello, Chutes and Ladders, Scrabble, UNO, Crazy 8's, Sorry, Battleship, Candyland, Bingo, Blokus, Connect 4, and Kerplunk. Additional activities include Puffy Paint, Sticker Art, canvas painting and more. A Prize Box will be available for winners and participants.
Creative Kids <i>Grades: 1st to 4th</i>	Hello & welcome to Creative Kids! This is my 5th year leading my creative kids' camps! We will be making 2-3 creative art projects per day, using a variety of art materials that allow kids to explore their creative side. We will even make slime on our final day! Please bring water bottles & wear clothes that can get messy. I can't wait to meet you all & be creative together!
Loom & Boom <i>Grades: 1st to 4th</i>	Get ready for an unforgettable adventure at Boom & Loom! Unleash your creativity with vibrant sounds of Boom whackers, creating musical masterpieces with every tap. Dive into the colorful world of loom bracelets, where you'll craft your own stylish accessories with new friends. Come make some noise & craft summer memories at Boom & Loom, where music & art collide!
Minute to Win It Madness <i>Grades: 1st to 4th</i>	This exciting camp is packed with challenges, fun, & friendly competition. In this high-energy camp, kids will face off in a series of wacky, hilarious, & mind-bending games- each lasting 60 seconds! Whether balancing cups, stacking cookies, or tossing balloons, campers will laugh, cheer, and work together to complete crazy tasks in under a minute. Each day will have a new set of challenges, & as the week progresses, games become more thrilling, requiring kids to use creativity, teamwork, & quick thinking. Teamwork-driven to individual competitions, Minute to Win It Madness fosters a fun, supportive environment where kids build confidence, improve coordination, and develop problem-solving skills.
Slime-tastic Sensory Camp <i>Grades: 1st to 4th</i>	Welcome to Slime-tastic Sensory Camp, the ultimate destination for slime lovers and creative explorers! Here, campers will dive into the colorful, stretchy world of slime, experimenting with different textures, colors, and scents to create their own signature concoctions. Beyond slime, we'll explore a variety of other sensory experiences, from squishy play dough to moldable moon sand and fun tactile art projects. Each day is filled with hands-on activities designed to engage all the senses and spark creativity. It's the perfect place for kids to get messy & discover the magic of sensory fun!
Wilderness Camp <i>Grades: 1st to 4th</i>	Wilderness Camp is a great chance for your child to explore the outdoors through adventurous learning opportunities. Campers will participate in fort building, animal tracking, team-work games & nature art projects. They will be taught about different plants & trees that live in the area and how to explore the woods safely. The outdoors invites so many possibilities for children to be curious & creative in different ways so they will be engaged in different opportunities every day!
The Tinker Tank <i>Grades: 1st to 4th</i>	Would you like to launch rockets, solve real-world problems, make electricity move, & more? The Tinker Tank is the perfect camp for budding engineers to explore their curiosities. Over the course of a week, students will dive into hands-on STEM activities that spark creativity and critical thinking. Every day will bring new adventures in science, technology, and engineering.

Space Week <i>Grades: 1st to 4th</i>	Get ready for an out-of-this-world adventure where campers will explore the wonders of the universe. We will learn about astronauts, planets, and the galaxy through story time, art and craft projects, games and more.
The Exploration Station <i>Grades: 1st to 4th</i>	Join us for an exciting and hands-on STEAM (Science, Technology, Engineering, Arts, and Mathematics) summer camp designed for curious young minds! In this fun-filled, week-long adventure, campers will explore a variety of interactive activities that combine creativity with critical thinking. Each day, we will dive into engaging challenges and projects that allow them to experiment, build, and discover while learning key concepts in each of the STEAM fields.
Swift Sparkles: Beads, bracelets & Beats Camp! <i>Grades: 1st to 4th</i>	Step into a world of Swiftie sparkle in our Swift Sparkles: Beads, Bracelets & Beats Camp! Craft one-of-a-kind bracelets inspired by Taylor's iconic lyrics, albums, & signature style. From Red-themed designs to Evermore elegance, you'll create jewelry that lets your love for Taylor shine bright. Join for a fun-filled camp of music, creativity, & hands-on crafting where every bracelet tells a story- and you're the artist! Grab your beads, your favorite tunes, & let's make magic!
Math Game Masters <i>Grades: 2nd to 4th</i>	Join us for an exciting & fun-filled Math Camp! This engaging program will help young learners build a solid foundation in math through hands-on activities and interactive games. Your child will dive into card and dice games that will make learning math both enjoyable and effective. Additionally, students will have a blast designing and building their own board game! Register today for a summer full of fun math activities designed to boost confidence and math skills.
Field Hockey Skills & Team Building <i>Grades: 1st to 4th</i> <i>Grades: 5th to 8th</i>	Join us for a fun week of field hockey skills, drills and scrimmaging. This camp will challenge players to develop their individual skills and field hockey IQ, as well as work on team building activities to make them the best teammates they can be! Some field hockey experience preferred but not required.
Rock Band <i>Grades: 5th to 8th</i>	Experience the fun of playing in a Rock & Roll band. Learn the fundamental techniques of instruments such as electric guitar & bass, keyboard, drum set & other auxiliary instruments! After the 2 weeks, we will put on a mini performance showcasing their work! Experience in one of the above instruments is helpful but not required. Must attend both week 4 & 5
A Stitch in Time <i>Grades: 5th to 8th</i>	Let's mix a little history with learning to stitch! You will learn how to create a sampler just like schoolgirls did back in the late 1700s to mid 1800s. Throughout the camp, we will discuss the history behind these intricate pieces of needlework.
Band Camp <i>Grades: 5th to 8th</i>	Band students! Let's join together to make some music over the Summer! We will rehearse a few pieces of music throughout the week and put a performance on the last day. We will have fun putting your instrumental skills to the test, and as always, we will include some fun outdoor games along the way! Campers must have completed one year of band prior to participating.
Girls Basketball Olympics <i>Grades: 5th to 8th</i>	Join Coach G (ORHS Girls' Basketball Coach) & some outstanding ORHS basketball players for the second annual Oyster River Basketball Olympics! We will work on basketball fundamentals while competing in a wide range of conventional & unconventional basketball events to earn points to win Basketball Olympic medals! Events include – Dribble Races, Shooting Competitions, Rebounding Tournament, Tournaments of 1v1, 2v2, 3v3, Obstacle Course, Basketball Bowling, and many more! This is open to any skill level player who wants to work on their skills and have fun this summer!
Beginner Crochet <i>Grades: 5th to 8th</i>	Dive into the fun & creative world of crochet at our beginner's camp. Perfect for kids eager to learn the basics of this creative craft. By the end of the week, campers will have created their own fun projects. With plenty of guidance, patience, & hands-on practice, campers will build new skills, boost creativity, & have a blast while learning the art of crochet. No experience necessary.
Metalsmithing <i>Grades: 5th to 8th</i>	We will be working on a variety of different metal smithing techniques. Each day we will attempt to complete a new project while we add to our skill set. Just a reminder, this is not a knife, sword or other sharp tool making class. Metals can be hard to work with. There will be hammering, filing & some soldering. Safety is a priority. I am excited to meet you all and am very glad I get to teach you about something I love to do. (Mrs. Mango)
Chorus Camp <i>Grades: 5th to 8th</i>	Enhance your knowledge of choral music and sing in an ensemble setting.
Aladdin Musical <i>Grades: 5th to 8th</i>	Join us as we learn songs/dances, & work as a team of actors to bring the story of Aladdin to life! Our 2 week production will be a theatre-intensive, starting with auditions to a 30min production open to friends & family on our last day of camp. All campers will be in the show, many campers choose to help create props & costumes. Come help tell this magical story! This 2-week camp will run from 8:15-11:45. Campers must sign up for both weeks.

Discover Cricket: The World's #2 Sport <i>Grades: 5th to 8th</i>	Learn the basics of batting, bowling, and fielding through fun games, drills, and activities. The wide cricket bat makes hitting easy, so you'll be scoring runs in no time! Led by a British coach with a love for the game, this camp will have you hooked on cricket from the first swing. Join us and find out why this sport is loved by billions around the world!
Fly Tying (fly fishing) <i>Grades: 5th to 8th</i>	Learn the art of fly tying. Fly fishing anglers use "flies" as bait to catch fish. This camp is for those who like to be creative and enjoy following steps like a recipe to make something that can be used to catch fish. We will spend one session learning the art of fly casting.
Guitar & Song Writing Camp <i>Grades: 5th to 8th</i>	Calling all future stars! Want to develop your skills as a songwriter? We will write lyrics, create accompanying music, and experiment with instruments (guitar, bass, & piano) with the opportunity to record our projects. No experience is required & instruments provided by camp. Whether you dream of publishing your own music, or of being on stage performing your creations, this is the camp for you.
Low-Key-Tekky <i>Grades: 5th to 8th</i>	To be "tekky" in soccer, is to have all the technical foot skills in your duffel bag. At Low-Key-Tekky, a week's worth of touches on the ball will help get you there. At this soccer camp, we'll have plenty of fun playing small-sided games, picking up pointers along the way. Take the first step towards tekky and sign up today!
Melody Master Vocal <i>Grades: 5th to 8th</i>	Come share your vocal talents and refine your skills. Work on solo and small group pieces from varying genres and decades. End the week with a collaborative performance opportunity.
Open Studios with Mr. Boucher <i>Grades: 5th to 8th</i>	From print making, to throwing on the potter's wheel, to felting and so much more, artists grades 5-8 can enjoy an excellent opportunity in experimenting and taking creative risks in different mediums or benefit in honing their skills in an area of art that they love.
Outdoor Exploration Camp <i>Grades: 5th to 8th</i>	Designed specifically for curious middle schoolers. Campers will gain practical skills in environmental science, including tree identification, soil & water sampling techniques used by scientists. Through structured, engaging activities, students will develop a deeper understanding of their natural surroundings & learn valuable observational skills. An unique opportunity to explore their surroundings in a hands-on way, connecting them directly with the natural world around them. Campers encouraged to attend more than one week of OEC , as this will give them an opportunity to develop an individualized project that applies the skills that they learn.
Wiffleball SHOWDOWN <i>Grades: 5th to 8th</i>	Taaake me out to the balllllll gaaaaaaaame...That's right folks, the best ballgame is in the Bobcat backyard. AND. YOU'RE. INVITED. At this camp, you'll learn how to dominate the diamond in an epic series of games and derbies. Pitching, fielding, and hitting, get ready to have a blast!
Sweet Tooth <i>Grades: 5th to 8th</i>	Looking to get creative in the kitchen? Join us for a week of decorating sweet treats like cookies, cupcakes, cake pops and more! We will learn the basics of decorating, practicing different icing techniques, and using piping bags and other tools to create our own delicious masterpieces to taste and take home. (**Recipes contain gluten, please let me know of any allergies**)
Percussion Ensemble <i>Grades: 5th to 8th</i>	Participate in the excitement of music making with instruments that can only be played with a hand, stick or mallet. Campers will prepare a few fun pieces of music to perform at the end of the week. Campers must have completed Grade 5 music & above. Instruments that will be explored: Bucket Drumming, Mallet Percussion (bells, vibraphone, marimba, xylophone, chimes, etc.), Battery Percussion (assorted drums including snare, bass, toms, etc.), Auxiliary Percussion (shakers, tambourine, cowbell, etc.)
Table Game Techniques <i>Grades: 5th to 8th</i>	"Life is not a matter of holding good cards, but sometimes, playing a poor hand well," Jack London. We'll celebrate the good hands & learn the best way to play poor ones. Play a bunch of table games, cards, chess, & board games too! This camp is for anyone interested in having fun without needing a screen to tap on. Whether you know a lot of table games by heart, or know nothing at all, if you are looking for a relaxed environment to make friends around the table, THIS IS YOUR SPOT. If camper has a favorite table game feel free to bring in to play!
String Orchestra <i>Grades: 5th to 8th</i>	String orchestra musicians! Let's join together to make some music over the Summer! We will rehearse a few pieces of music throughout the week and put a performance on the last day. We will have fun putting your instrumental skills to the test, and include a little bit of outdoor fun, too! This camp is for 5-8th graders who have at least one year of experience playing violin, viola, cello, or double bass.
TIME TO G.I.V.E <i>Grades: 5th to 8th</i>	Get Involved in Volunteer Efforts. Students will be able to participate in different volunteer opportunities such as preparing backpacks for students, making cards for patients in hospitals, & planning future volunteer opportunities. This camp will teach students the importance of volunteering and how they can get involved on their own outside of this club.

Molecule Makers Chemistry Camp <i>Grades: 6th to 8th</i>	Hey science explores! Want to spend your summer doing AWESOME science experiments? Our chemistry camp is all about discovering cool science through hands-on projects you'll love. We'll make lava lamps, launch rockets, create colorful flames, & make ice cream- all while learning how amazing chemistry can be. Perfect for curious kids who want to try something different this summer. No science experience needed- just bring your excitement and we'll do the rest.
VEX IQ Robotics <i>Grades: 6th to 8th</i>	Join for an exciting camp where students dive into the world of robotics & innovation! Campers will be introduced to the brand-new VEX IQ Challenge, exploring its unique rules & objectives. Through hands-on collaboration, they'll begin brainstorming & designing robots tailored to tackle this year's competition. This camp is a perfect opportunity to develop problem-solving skills, build teamwork, & ignite a passion for STEM learning in a fun, engaging environment.

Week 1: Mini Week June 30th -July 2nd

Morning Camp Options Mon-Wed: 8:30am-11:30pm

Camp Title	Grades	Instructor	Camper #'s
Creative Kids	Entering 1 st -4 th	Ella Foster ellaefoster7@icloud.com	Min 8- Max 14
Lego Spike	Entering 1 st -4 th	Tyler Patria tpatria@orcsd.org	Min 8- Max 10
Outdoor Fun	Entering 1 st -4 th	Jeff Corson: jcorson@orcsd.org	Min 8- Max 14
Field Hockey Skills & Team Building	Entering 1 st -4 th	Kelly Lacoste klacoste@orcsd.org	Min 8- Max 18
Indoor Games and Activities	Entering 1 st -4 th	Kathy McGowen spirit241@comcast.net	Min 8- Max 14
Air Power	Entering 1 st -4 th	Jodi Lincourt Jlincourt@orcsd.org	Min 8- Max 12
Swift Sparkles: Beads, Bracelets & Beats Camp!	Entering 1 st -4 th	Emily Brisson ebrisson@orcsd.org	Min 8- Max 12
Camp Quest: Games & Creativity with Mrs. Whalen!	Entering 1 st -4 th	Jess Whalen Jwhalen@orcsd.org	Min 8- Max 14
Loom & Boom	Entering 1 st -4 th	Bethany Twitchell bethanyluther85@gmail.com	Min 8- Max 12
The Tinker Tank	Entering 1 st -4 th	Mary (Beth) Thomas bthomas@orcsd.org	Min 8- Max 12
Space Week	Entering 1 st -4 th	Jessica Ekanem JEkanem@orcsd.org	Min 8- Max 12
Math Game Masters	Entering 2 nd -4 th	Linda Kahn lkahn@orcsd.org	Min 8- Max 10
Fly Tying (fly fishing)	Entering 5 th -8 th	John Silverio jsilverio@orcsd.org	Min 8- Max 12
Time to G.I.V.E.- Get Involved in Volunteer Efforts	Entering 5 th -8 th	Kaitlin Soucy ksoucy@orcsd.org	Min 8- Max 14
Open Studios with Mr. Boucher	Entering 5 th -8 th	Joseph Boucher jboucher@orcsd.org	Min 8- Max 14
Metalsmithing	Entering 5 th -8 th	Elaine Mangan elainemangan5@gmail.com	Min 8- Max 8
Table Game Techniques	Entering 5 th -8 th	Jake Bayer jbayer@orcsd.org	Min 8- Max 14
Guitar & Song Writing Camp	Entering 5 th -8 th	Nicholas Schidlovsky nschidlovsky@orcsd.org	Min 8- Max 12
Molecule Makers Chemistry	Entering 6 th -8 th	Tracey Benkosky tbenkosky@orcsd.org	Min 8- Max 10

Afternoon Camp with Durham Parks & Recreation 12:00-5:00pm

Weekly Theme Blast Off!	ENTERING Grades 1st-4th & 5th-8th	DPR Rec Squad	Spend the afternoon outside playing games, creating crafts, enjoying water activities, swimming and much more! Each day of camp we will focus on welcoming campers to camp and blasting off to summer!
--------------------------------	--	----------------------	--

Optional Thursday Field Trip- Thursday July 3rd 8:30am-4:30pm

Indoor Rock Climbing & Chucksters	ENTERING Grades 1st- 8th	DPR Rec Squad	We will spend the morning indoor rock climbing and bouldering at NH Climbing & Fitness & the afternoon at Chuckster's Family Fun Park.
--	---	----------------------	--

Week 2: July 7th-July 10th Morning Camp Options Mon-Thurs 8:30am-11:30pm

Camp Title	Grades	Instructor	Camper #'s
Elite Feet	Entering 1 st -4 th	Ella Foster ellaefoster7@icloud.com	Min 8- Max 14
